Dear Senior Parents,

Dec.16, 2009

With pride we look forward to our seniors walking across the stage to become Uplift graduates. Seniors are looking ahead to their senior activities. Unfortunately, some students have lost sight of the present work to be done. Many seniors have had very inconsistent attendance. This has put students in danger of failing and graduation in jeopardy. There is a vital connection between attendance and achievement. To improve attendance, we are implementing a host of incentives, which include dances and raffles, to encourage students to come to school everyday. We are also implementing a system, detailed below, that gives students the ability to earn all of the privileges that come with graduation. Your assistance is greatly needed in this endeavor. If you have any questions please do not hesitate to call the school or your child's advisory teacher.

Sincerely,

Stephanie Y. Moore  
Principal
